Introduction

Dear families...

I hope this newsletter finds you all safe and well. I'd like to start this last edition of 2020 by thanking you all for your help and support in what has been an extremely difficult year. Your flexibility and support is always appreciated, but during this time, it has been key to the smooth running of the school. I very much hope that you get to spend time with the ones you love over the festive period and hope that 2021 sees a return to some sense of normality.

Christmas Cheer!

In place of our usual Christmas Carols, each class has produced a short video on the topic of Christmas. We hope you enjoy them. All videos will be available via the Teams app and on the school website from Thursday 17th December <https://www.rednalhilljuniors.com/parents-information/christmas-cheer-from-all-at-rhjs>

Value Word Champions

At RHJS, we have 6 core values. Each half term, we talk in detail about one of the values and what it means to us. We do this in class discussions, Philosophy for Children Lessons and in assemblies.

We value **being part of a community.**

We value **building relationships.**

We value **being the best that we can be.**

We value **making good choices.**

We value **being an individual.**

We value **being respectful and considerate.**

We value **building relationships.**

Last half term we focused on 'we value building relationships' and we had many valuable conversations around what this means to us as a school.

At the end of the half term each class selected a 'Value Champion' and this person was selected as they are the perfect role model for this value. They were celebrated during a whole class assembly.

Autumn Term 1 Value Champions – We value being part of a community		
3KS –	3NC – Jessica Clougher	3AY – Jack Dale
4EO – Jaylen Singh	4SO – Lily-Rae Stanley	4NE – Rhys Tovey
5TH –	5VR – Jennifer-Rose Newby	5NB – Graham Cartwright-Lockley
6LF – Imogen Williams	6SM – Rose Brook	6SC – Jack Crowley

This half term we are exploring the value 'Making Good Choices' and we will look forward to selecting and celebrating the value champions at the end of term.

Snow Days Guidance

GUIDANCE TO PARENTS AND FAMILIES REGARDING SEVERE WEATHER – Dec 2020

We will endeavour to keep our school open and operating as normal. However, in the event of severe adverse weather it may be necessary to 'make a decision' to close the school for the safety of the children and staff. Following the Severe Weather Guidance from the DfE (Dec 2015), the following policy and procedure exists for Rednal Hill Junior School.

The decision to close will be made by the head teachers in consultation with the site manager and chairs of governors considering the following:

- **Health and safety – will remaining open constitute a significant risk to pupils and/or staff.**
- **Availability of staff – has the severe weather meant that a significant number of staff have been unable to attend making it impossible to open.**

Our first priority will always be to ensure the health, safety and wellbeing of pupils, staff, parents and families.

Where practical, we will consider opening later in order to enable staff and children to have additional time to travel to school safely. We will clear paths within school to make access as safe as possible and will keep supplies of grit to support this.

School Closure Procedure:

1. As soon as the decision to close school has been taken, we will inform you via our **text service**.
2. A headline message informing of the closure will also be posted on the **School website** www.rednalhilljuniors.com
3. Listen to **BBC Radio WM - 95.6FM** where there will be regular updates.
4. Closures will be listed on the **BBC Radio WM website** www.bbc.co.uk/wm.
5. The site manager will be in school to advise parents and families, on arrival, that the school is closed

6. Please be aware that the phone lines may not be answered because of staff not being able to make it into school. Please refer to the school website for updates.

7. The decision to reopen will be taken by the Site Manager & Heads. Parents will be informed via our **text service & website**

Revised start and end times to the school day

We've been discussing how to make the start of the day a little more productive, particularly for Y3 and Y4. As the children are used to a soft-opening and things are running particularly smoothly, we feel that this slight revision will not compromise what is already in place to segregate the bubbles on entry or exit. So after some discussion we have decided to slightly revise the start times of the day. **The new start times will take effect from Tuesday 5th January 2021.** There will also be a slight revision to the end of the day for Y5 and Y6.

Arrive

- Y3/4 arrive 8:30 to 8:40
- Y5/6 arrive 8:40 to 8:50

Depart

- Y3/4 depart 3:15

- Y5/6 depart 3:25

Everything else stays the same.

Please note, a prompt arrival, at the designated times, is essential for things to run smoothly. Drop of circumstances for siblings remains unchanged.

Class Assemblies

Don't forget all of our class assemblies are available on the website at:

<https://www.rednalhilljuniors.com/parents-information/celebration-assemblies/class-assemblies>

4EO' s class assemble is up next on or around the 27th January!

Virtual Open Day

Rednal Hill Junior School would normally hold an open day, during late autumn, for parents interested in sending their child to the Juniors in September 2021. Clearly, in the current climate, we're unable to hold any meetings in school so we've produced something that will hopefully give you an insight into what Rednal Hill Junior School is all about. If you have any further questions please don't hesitate to contact on enquiry@rednalhilljuniors.com.

Free School Meal Vouchers for Xmas Period

We are delighted to confirm that Birmingham City Council is able to support the provision of supermarket vouchers for children eligible for free school meals over the Christmas school holiday, as part of its Winter Grant allocation. The scheme goes live the W/B 7th December. The vouchers will be requested by the school to the value of £30, to cover the two weeks of the holiday at £15 per week. The vouchers will be delivered in the usual fashion.

Primary Assessment changes

Year 6 SATs:

- Sats in reading and maths and the teacher assessment of writing will go ahead in 2021
- The Spelling, Punctuation and Grammar (SPAG) test will not take place
- The science teacher assessment will also be removed
- There will be a 'flexible approach' to the administration of the KS2 tests by extending the timetable by a week until 26th May

Year 4 MTC

- The multiplication tables check (MTC) will not be statutory. Here at Rednal we have decided to take the optional test during June 2021, [for more information click here](#)

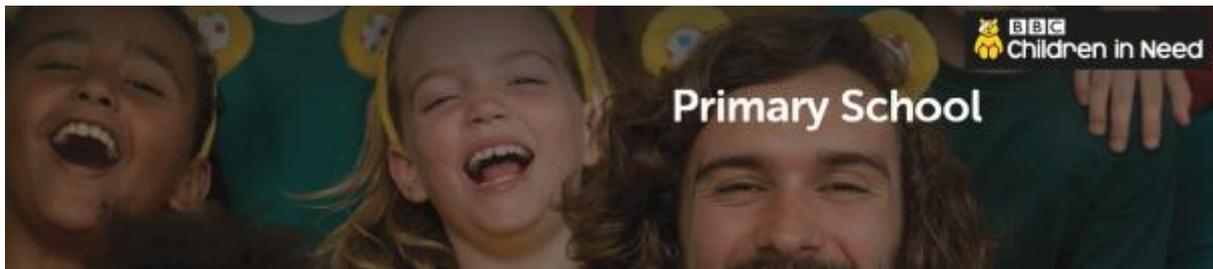

Home Learning

I'd like to say a huge thankyou to the children and staff that have been involved in our home learning offer this term. The home learning offer has progressed so fast, it has been hard to keep up. A huge thank you needs to go Mrs Allan. I spoke to Mrs Allan during the summer about our remote learning offer and wanting it to be "something to be proud of". She took this idea and made it far more than I

ever imagined it would be. This is no mean feat, considering the whole approach was new to all of us. I also feel I need to make a special mention of Miss Graves and 4SG, Miss Maddams and 6SM and Miss Sedgwick and 3KS, who have had some wonderful feedback from parents and children. Many thanks for those that took the time to e-mail, your words and the responses from the children have made all the hard work worthwhile.

Children in Need

Many thanks to all those that contributed to this year's Children in Need. It gives me great pleasure to tell you that we raised the grand total of £244.32.

WhatsApp Dos and Don'ts – compiled by Y6 pupils

The use of WhatsApp and other messaging platforms have been causing some difficulties for children during the term. Year 6 children took some time in one of their PSHE lessons to reflect on what the purpose of having a WhatsApp account is and how to use it responsibly.

It was recognised that WhatsApp can be a really valuable way to communicate with one another and keep connected with friends during difficult times, however the children identified that sadly it can sometimes be used as a space to be unkind.

Year 6 have produced a list of 'Dos and Don'ts' when using WhatsApp that we wanted to share with families, so that we are all promoting safe and responsible use of this messaging App for our children. Well done Year 6 for coming up with some great guidance for us all.

WhatsApp Dos	WhatsApp Don'ts
<ul style="list-style-type: none"> • Share positive things – happy vibes! • Send compliments • Have fun • Be kind, make people happy • Have a laugh and a joke (but not at the expense of others) • Talk to people, share information that will help • Have respect for others • Think about the kind of information you share in groups you are part of • Choose your words carefully, think about what your message says before you send it. • Only add and/or accept people you know well • Leave a group if you don't want to be part of it, or don't like what's being said • Let people leave the group if they choose to • Report concerns you have to adults • Mute notifications for certain amounts of time to give you a break. 	<ul style="list-style-type: none"> • Use rude emojis, comments, pictures, songs etc • Argue – it's ok to disagree respectfully • Get involved in other people's problems/issues • Create groups to humiliate others • Be mean or unkind • Name-call • Create unnecessary groups with no purpose • Post spam e.g. constant calls and messages that are unwanted and/or pointless voice notes • Swear • Prank • Laugh at others to embarrass them • Judge people • Spread rumours about others • Send messages at times when people are likely to be resting/asleep.
